Other Lies

♩ = 90  
 ||: Em | B | A | G :||

1. **Em** I never quite **B** felt  
           **A**                                **G**  
       The difference between the right and wrong  
**Em** I never quite **B** knew  
           **A**                                **G**  
       The limits I should not go beyond  
**Em** I never quite **B** knew  
           **A**                                **G**  
       Myself at all

Chorus:

||: C<sup>Δ</sup> | C<sup>Δ</sup> | Am<sup>9</sup> | Am<sup>9</sup> |  
 5 C<sup>Δ</sup> | C<sup>Δ</sup> | Am<sup>9</sup> | Am<sup>9</sup> |  
 9 C<sup>Δ</sup> | C<sup>Δ</sup> | D | D :||

Now I can feel it in my bones,  
 I really know where I belong  
 With my naked soul in front of all,  
 I know where I went wrong

2. For sure I mistook  
       The empty places for a royal court  
       And my small steps for great endeavours  
       And I just confused my mess with the complex  
       Smothered by the tides of my pride

Chorus:

||: C<sup>Δ</sup> | C<sup>Δ</sup> | Am<sup>9</sup> | Am<sup>9</sup> |  
 5 C<sup>Δ</sup> | C<sup>Δ</sup> | Am<sup>9</sup> | Am<sup>9</sup> |  
 9 C<sup>Δ</sup> | C<sup>Δ</sup> | D | D | D | D :||

Now I can feel it in my bones,  
 Have to confess I lost control  
 Now my body is lost for good for all  
 But I know where I went wrong (×2)

Solo

Chorus:

Now I can feel it in my bones,  
 This holy fire burns my soul!  
 Pulverized by some unknown forces,  
 I know where I went wrong (×2)

Other Lies

## Intro

1. Well I wear this purity ring  
And I have seen now where the edges are  
Like in those boring dreams  
When you run after a thing,  
You just can't never catch  
Why didn't I give it up before I start?  
Why didn't I stop it just before it hurts?  
Is there anywhere else to go now?  
Is there anything else to do now?

## Chorus:

Will all of this be such in vain?  
Do I always have to be that lame?  
Will I always be just like this?  
Is it always the same?

2. Now you are getting undressed  
I smell your skin and kiss your neck  
I paid for it and as you are getting higher  
My feeling is just getting stronger and  
stronger  
Why didn't I kill it before it grows ?  
What I am waiting from you now?  
I really should have known it before  
Do you really have to leave me now?

## Chorus:

Will all of this always be such in vain?  
Are you trying to fool me again?  
Are you lurking in the shade of my death?  
Is it the way I try to fool myself?

## Bridge

3. No matter hard I try,  
you are out of reach  
You are the end of the line,  
You're the devil that whispers the kindest  
words

## Solo
